<b>ANIMATION MUSIC</b>	<p><b>SUBMERGED</b></p> <p>This short film celebrates the beauty and importance of marine life, serving as a self-driven, self-taught passion project undertaken by the creator. Through hundreds of hours of online research, tutorials, and YouTube videos, they honed their skills and knowledge in 3D filmmaking. Using free software like Blender and Adobe After Effects, the project began with limited understanding but eventually led to significant growth in skills related to modeling, texturing, rigging, scene lighting, rendering, camera setup, and 3D composition. Additionally, they deepened their grasp of animation principles and their application in a 3D context, while gaining expertise in simulating realistic human body movements with rigging. This journey greatly amplified their appreciation for both the marine world and 3D animation.</p> <p><b>Director:</b> Neo Sky James <b>Producer:</b> Neo Sky James  <b>Runtime:</b> 4 minutes</p>
<b>TELEVISION WEB</b>	<p><b>SECRETS IN PLAIN SIGHT</b></p> <p>Starting over seemed to be a great idea. At least this is what Michelle, Sonya, and Diane thought. However, their lives are forever changed once they meet. The lies, secrets, and deceit they thought they'd left behind are intertwined in a way that could be the death of everything they have worked to rebuild.</p> <p><b>Director:</b> Tangie Brickhouse-Beaty. <b>Producer:</b> Tangie Brickhouse-Beaty  <b>Runtime:</b> 36 minutes</p>
